NOTICE OF PUBLIC COMMENT PERIOD

Proposed Health Insurance Rates for 2019

The Commissioner of Securities and Insurance will receive public comment regarding recently filed rates by Montana health insurers. The comment period provides the public the opportunity to participate in government by expressing any comments that the public may have regarding the proposed 2019 rate changes for health insurance.

Information on the proposed 2019 Montana Health Insurance rates can be found on the CSI website, www.csimt.gov. Comments can be emailed to csipubliccomment@mt.gov or by letter/hand-delivery to 840 Helena Ave, Helena, MT 59602 through July 27, 2018.

The rate review process established by the Montana Legislature in 2013 authorizes the office of the Insurance Commissioner to review health insurance rates. If the Commissioner finds a rate increase to be excessive, inadequate, unfairly discriminatory, or unjustified, the insurer may voluntarily amend the rate increase. If the insurer maintains the initially filed rate over the Commissioner's recommendation for adjustment, the Commissioner will issue a public finding announcing the deficiency and the reasons why the rates are unsatisfactory.

PUBLIC NOTICES

PUBLIC OPPORTUNITY TO PROTEST TRANSFER OF OWNERSHIP OF MONTANA ALL-ALCOHOLIC BEVERAGES LICENSE

Monsons Montana Bar, LLC (Members: Lana R. Monson and Paula A Stricklin) has applied to transfer Montana All-Alcoholic Beverages License No. 20-230-8802-001 to be operated at Monsons Montana Bar, 429 1st Avenue South, Glasgow, Valley County. The public may protest this license transfer in accordance with the law.

Who can protest this transfer? Protests will be accepted from residents of the county of the proposed location (Valley), residents of adjoining Montana counties (Daniels, Roosevelt, McCone, Garfield, Phillips), and residents of adjoining counties in another state if the criteria in 16-4-207(4)(d), Montana Code Annotated (MCA), are met.

What information must be included? Protest letters must be legible and contain (1) the protestor's full name, mailing address, and street address; (2) the license number (20-230-8802-001) and the applicant's name (Monsons Montana Bar, LLC); (3) an indication that the letter is intended as a protest; (4) a description of the grounds for protesting; and (5) the protestor's signature. A letter with multiple signatures will be considered one protest letter.

What are valid protest grounds? The protest may be based on the applicant's qualifications listed in 16-4-401, MCA, or the grounds for denial of an application in 16-4-405, MCA. Examples of valid protest grounds include: (1) the applicant is unlikely to operate the establishment in compliance with the law; (2) the proposed location cannot be properly policed by local authorities; and (3) the welfare of the people in the vicinity of the proposed location will be adversely and seriously affected.

How are protests submitted? Protests must be postmarked to the Department of Revenue, Office of Dispute Resolution, P.O. Box 5805, Helena, Montana 59604-5805 on or before July 23,2018.

What happens if the transfer is protested? Depending on the number of protests and the protest grounds, a public hearing will be held in Helena or Glasgow. All valid protestors will be notified of the hearing's time, date and location. Hearings typically are scheduled within 90 days. A protester's hearing testimony is limited to the grounds in the protester's letter. Following the hearing, the Department of Revenue will notify the public whether the license transfer is approved or denied.

How can additional information be obtained? The cited MCA statutes are online at leg.mt.gov/bills/mca_toc/. Questions may be directed to Dacia English, Compliance Specialist for the Department of Revenue's Alcoholic Beverage Control Division, at (406) 4440728 or DEnglish@mt.gov.
