A Preview of 2015 Scottie Football

GREG LIEBELT
FOR THE COURIER

The 2015 Scottie football team enters the season with very little returning Varsity experience and is best described as a team with a lot of new and young faces to tackle a very competitive schedule.

With a roster of just over 40 players from Glasgow, Nashua and Hinsdale, including five seniors and only three returning starters from last season's team. It is easy to see that this year's Scottie football team will have their work cut out for them.

All told, the Scottie football team lost 19 total upperclassmen, which included 15 graduating seniors and four juniors who were not able or decided not to return this season. The roster also includes 15 Freshman, 14 Juniors (six are new, who've returned or never played before).

However, it is with certainty that this year's team has some bright spots to build from and will continue to have the same competitive expectations that come with Scottie football each and every season, which is to win the District 2B, and both host and win a playoff game!

To begin with, our staff returns three of the four full-time members (Bryan Krumwiede, Ed Sugg and Trint Gamas, who will take over as Defensive Coordinator) and volunteer assistant Levi Sugg, while losing full time assistant and 2-year Defensive Coordinator, Johnny Row, along with three-year assistant Coach, Pat Gunderson. Both of these coaches did a great job for the program and will be greatly missed! However, the program was very fortunate to add a new coach, Tom Daniels, originally from Vancouver, WA, and played college football at Portland State, a member in the Big Sky Conference.

The strength of the Scottie football team this season is expected to be in the skill position athletes on both sides of the ball with returning "All Conference" RB/LB, (Jr) Benji Phillips leading the way, along with QB/S (Jr) Trent Herbert; TE/LB (Jr) Luke Breginzer; FB/LB and kicker (Jr) Cache Younkin, WR/CB (Sr) Lane Nickels and WR/CB (Sr) Ethan Etchart. Nickels and Etchart both return at starters from last season's defense with Phillips the lone offensive returning starter.

Key players on the line of scrimmage will include C/Noseguard (Jr) Grant Morken; Guard (Jr) Wyatt Mattfeldt; and Tackle (Sr) Lane Provencher.

PATRICK BURR/ THE COURIER

Kicker Cache Younkin, along with the rest of the Scotties' special teams unit, lines up for the opening kickoff in the season opener versus Colstrip on Aug. 29.

VARSITY FOOTBALL

7 p.m. kickoff for Varsity games

Friday, Aug. 14 – First day of practice

Glasgow Girls' Volleyball At a Glance

LORI DAILEY
FOR THE COURIER

Look for this year's team to be dynamic, energetic, scrappy and aggressive! We pulled through the exciting, challenging Choteau opener with lots of promise and hope to continue on an upward trend as the season continues!

Meet The Team:

SENIORS

Katie Brandt: libero (defensive specialist), terrific zone server, solid passer.

Rachel Mickelson: middle hitter, good game analyst, reliable attacker.

Lauren Runningen: defensive specialist, tough server, hands of steel.

Rikki Stormy: setter/hitter, extremely versatile, savvy all-around player.

JUNIORS

Kiauna Barstad: outside hitter, gutsy defender, wicked short serve.

Teagan Fossum: setter/hitter, one of the team's QB's, super tough server.

Jazmine Foster-Shaw: outside hitter, serves rockets, queen of positive attitude.

Khloe Krumwiede: outside hitter, amazing passer/defender, serve is the bomb.

Leinie Hughes: middle hitter, natural blocker, will be a force soon.

SOPHOMORES

Baylie Chappell: defensive specialist, able to dig missiles, steady passer.

Jesi Kennedy: middle hitter, fast learner, sweet as pie.

Hannah Mickelson: middle hitter, strong hands on defense, loves a good block.

To enhance practice this season, we acquired an AcuSpike Team Trainer. It has a reloading hopper that allows for endless hitting without a coach's or setter's having to be there. It also has an adjustable hand crank and ruled height indicator which makes it easy to set and monitor vertical jump progress.

These girls worked hard for me throughout preseason, practicing twice a day for almost 14 days - no whining, no mental lapses, lots of positive enthusiasm and love for the game! They've put their time in over the years by coming to volleyball camps and summer open gyms and it really shows!

The JV and C squads, coached by Somer Hoerster and Lacey Brelje, have also been slaving away in the hot gym, many of them attending open gyms and voluntary second-practices during preseason! This group of volleyball athletes is committed and we are reaping the benefits!

Cross Country Season Preview

ROD KARST
FOR THE COURIER

The 2015 season looks to be promising for us.

The boys are a much stronger team than they have been the past few years. We have a tough bunch of older runners (all but one of the runners that ran at State last year are back).

Throw in a talented bunch of freshmen runners, and we have a strong bunch of boys. They have set a goal of making it back to the podium (top three at State). It has been a couple of years since we have been on the awards stand, so that is pretty important to them.

Graduation took a heavy toll on the girls' team, but that doesn't mean that we don't have talent. We have a solid bunch of girls that will eventually run themselves into shape and back into the hunt to make the awards stand.

Every day in practice there has been a different leader of the pack. Just like in Glendive, we had a different girl ahead at each mile point. That makes for fun and productive practices.

We know that we need to push each other (both the boys and the girls) to get better every day. When we work as a team like we have been, then we all get better.

Saco-Whitewater-Hinsdale

North County Mavericks Volleyball

Patrick Burr
The Courier

Formerly the Saco-Hinsdale Wildfire, the co-op expanded this year to include Whitewater High School. Coach Kathy Siroky returns for her fourth season at the helm, and brings back three starters – Delaney Beil (Sr.), a 5'3" setter who garnered all-conference honors in 2014 and scored the most assists on the team; Mickayla Johnson (So.), a 6'1", all-conference MH who led the team in kills; and Jada Sudbrack (So.), a 5'11", all-conference OH/MH who led the squad in aces – from last season's team, which finished 11-10.

Other key faces include Tatum Moore (Sr.), Payton Chopper (Jr.), Kayleigh Cummings (Jr.), Casity Boucher (So.) Bailey Funk (So.), Sarah Boucher (Fr.), Chaykota Christensen (Fr.), and Alysa Conway (Fr.).

Siroky gushes on the year's prospects: "A New name, a new mascot, and a new team – it is an exciting time for us. The team chemistry and the skill level of its athletes make for a great combination. They have been working hard this offseason, and it shows."

Predicted order of finish (Siroky):

1. North Country
2. Scobey
3. Nashua
4. Brockton
5. Lustre
6. Opheim

Siroky's overall record as head coach sits at 40-24 entering this fall. She attended Hot Springs County High School in Thermopolis, Wyo. (class of '80), before moving on to the University of Wyoming.

Contact her at 406-527-3531 for questions, comments, and cheers.

3 - Taylor Reddig
5 - Emily Eggar
6 - Karoline Murray
10 - Cassie Kirkaldie

KEITH ORR, LCHS ATHLETIC DIRECTOR
FOR THE COURIER

Lustre Christian High School begins the 2015-16 school year with great anticipation. The incoming freshman class has added significantly to the athletic department. Nine of our ten incoming freshmen are or plan to participate in Lustre Christian athletics. These, added to our returning sophomores, make us a young but potent athletic department.

This year's volleyball team witnessed a spike in participation. Thirteen girls showed up for our preseason double days. This was a welcome surprise and has made it possible to run both varsity and JV squads. This is a very young team with only two seniors and no juniors. Having said that, I am confident that our athleticism will compensate for our lack of experience. Practices have shown huge growth in both knowledge of the game and skill development. Although many of the girls have never played together, they are already jelling as a team. Team spirit is high and the work ethic determined. It may take us some time to reach our full potential, but the ride looks to be a fun one.

The basketball season will be upon us before you know it and it will be interesting to see what second year coaches Randy Reddig for the boys and Keith Orr for the girls have up their sleeves. I guess we will just have to wait and see.

Lastly, the Lustre Christian gymnasium received a face lift over the summer. The old entry was demolished and a new gymnasium entry erected. Home fans and visitors alike will now be welcomed into sporting events through the newly constructed facility. Once inside fans and athletes alike will benefit from the newly installed lights in the gymnasium itself. If you have not been to a home game in a while, come down and check it out.

2015-2016 Nashua Porcupine Volleyball Preview

HEAD COACH SHERSTEEN CLINE
FOR THE COURIER

As the 2015-2016 volleyball season kicks off, you can find the Nashua Lady Porcupines hard at work in the gym.

After the loss of senior Sandy Viste, the Porcupines have put forth extra effort to fill the shoes of last year's lone senior. It is not without avail. This season has started off on a much surer foot than the previous one.

The goal early on has been to spend as much time as possible focusing on fundamentals, fundamentals, fundamentals. Makes sense, right? Can't pass the ball, and you are dead in the water. Our focus is definitely paying off! There have been great improvements by every member of the team as we move forward into the season, which allows more time and energy to be directed toward in-depth work on offense and defense.

This year we have a fairly seasoned team with five seniors and four juniors. Our returning seniors include Faith Keys, Natasha Chamberlain, Chloe Koessl and Mikel Glasoe. Emily Skyberg rejoined the team this year after a brief hiatus, and we are happy to see her return to the game. These seniors are expected to embrace leadership roles on and off the court, a task that I know won't be taken lightly.

Our juniors include: Zoe Glasoe, Ryleigh Delich, Hayley Nybakken, and Nicole Williams. Nicole also decided to return to the court this season. It's great to see her back as well!

Sophomores include: Aidan Peters, Taylor Laumeyer, Sophie Koessl, and Ziggy Chamberlain.

Our lone freshman is Cordelia Nickels.

This group of girls is extremely talented and has all the potential in the world.

I am excited to see what they achieve this season with a little guidance and hard work. Each girl brings something very different to the court.

When you have the opportunity to mix and match players, it is fun to watch the dynamics on the court change with each player personality and skill level.

Opheim Vikings Volleyball Fall 2015

Varsity volleyball this season started off with a few new faces. Both head coach Daniel Monroe and assistant coach Hannah Redfield are new to volleyball this year. We also have two new players. What would have been a slow start for some teams wasn't even a speedbump for ours thanks to the advice and hard work of the veteran players. Two of the players trained in Australia this summer and have been a great asset to the team. They were able to share their knowledge and within a week the team was practicing at full speed. With only 7 players total they will not have the luxury of many substitutions so they have conditioned well to make sure they can go the distance each and every match. While every team is going to have players who are better spiking or serving, and some may be the best at blocking or diving, our players know that you are only as strong as your weakest link and have done a fantastic job teaching each other in order to raise the team as a whole. The girls push one another to succeed every practice and the new players are no exception. Through hard work and determination they quickly gained the knowledge and skills to keep up with the team. Every player on the team is driven and highly motivated to do well this year. I look forward to watching them succeed both on the court and in the classroom this year.

Junior High volleyball will be coached by Becky Dowden again this year. The team consists of 6 players from 5-7th grade. They are working hard practicing three days a week with the varsity players where they get to learn from the more experienced players. There are some new faces on the team this year, as we have gotten some new students. All of the players are ready for their first match which will be on Friday, September 11 in Nashua at 5:00 pm. The first Varsity match will be on September 8 at 6:00 pm in Opheim versus Scobey.

I wish the players and coaches best of luck with their volleyball seasons.
