OF THE STATE OF MONTANA

IN THE MATTER OF Application Montana)
Dakota Utilities Co. to Implement an Automatic) REGULATORY DIVISION
Tracking Adjustment for Montana and Local) DOCKET NO. D2018.10.64
Taxes and Fees)

**NOTICE OF APPLICATION AND INTERVENTION DEADLINE.
PROCEDURAL SCHEDULE AND NOTICE OF PUBLIC HEARING**

On November 30, 2018, Montana Dakota Utilities Co. (“MDU”) filed with the Montana Public Service Commission (“Commission”) its *Application for Authority to Implement a Tracking Adjustment for Montana State and Local Taxes and Fees* (“Tax Tracker”), reflecting changes in its state and local property taxes.

State law requires the Commission to allow “the automatic adjustment and tracking of Montana state and local taxes and fees, except state income tax, paid by the public utility.” Mont. Code Ann. § 69-3-308(2) (2017). If the Commission determines that proposed rates are in error, it may, “within 45 days of receipt of the revised rate schedule, ask for comment and order the public utility to address any errors or omissions.” *Id.* Subject to any adjustments, the proposed rates “must automatically go into effect on January 1” on an interim basis. *Id.* If the Commission does not issue an order within 45 days—in this instance by **January 14, 2019**—the rates are considered approved.

A copy of MDU’s Tax Tracker is available for inspection at Commission’s business offices, 1701 Prospect Avenue, P.O. Box 202601 Helena, Montana 59620-2601; and the Montana Consumer Counsel (“MCC”), 111 North Last Chance Gulch, Suite 1B, P.O. Box 201703, Helena, Montana 59620-1703, telephone (406) 444-2771. The MCC is available to assist and represent the interests of the consuming public in this matter.

A person directly affected by MDU’s Tax Tracker that desires to be a party to this proceeding must petition to intervene no later than **December 10, 2018**. In order to afford due process: (1) data requests may be issued no later than **December 14, 2018**; (2) MDU must respond to data requests within five business days of service (excluding state recognized holidays) or by **December 21, 2018**, whichever is earlier; (3) parties wishing to submit comments or request a hearing must do so no later than **December 31, 2018**; and (4) the Commission may hold a public hearing, if requested by an intervenor or upon its own action, at the above Commission address on **January 3, 2019** at 9:00 a.m. Parties may jointly waive a formal proceeding in writing. Mont. Code Ann. § 2-4-603(2).

In order to file a petition for intervention or any other document in this matter, a party must: (1) submit the document electronically (e-file) on the Commission’s website at <http://psc.mt.gov> (“Electronic Filing” under “For Regulated Utilities” tab); and (2) physically deliver or mail the original document to the Commission at the above address. The Commission will not post an e-filed document to its website until it receives the original. Persons petitioning for intervention must also serve a hard copy of the petition on MDU, 400 North Fourth Street Bismarck, ND 58501, on MDU’s attorney, Mike Green and Wiley Barker, Crowley Fleck PLLP, P.O. Box 797, Helena, MT 59624-0797, and on the MCC at the address above.

Interested persons that do not wish to formally intervene may submit written comments by going to the Commission’s web site at <http://psc.mt.gov> (go to “Comment on Proceedings”), by hand delivery or mail to the Commission at the above address.

Anyone needing an accommodation for a physical, hearing, or sight impairment in order to attend or participate in the hearing should contact the Commission at (406) 444-6199 at least one week prior to the hearing. The Commission will make every effort to accommodate w/individual impairments.

0823 - A male caller reported a farm truck that is parked in front of a fire hydrant. He would like an officer to respond.

1050 – A female caller reported she was just passed by a white GMC all-terrain vehicle going at a high rate of speed. She said when the vehicle passed her it almost hit another vehicle head-on. She is willing to sign a complaint.

Tuesday, Nov. 27, 2018

1611 – A caller reported a male that was so intoxicated he had to almost crawl to his vehicle. The man got into his vehicle about five minutes ago. The caller will sign a complaint.

Wednesday, Nov. 28, 2018

1746 – Received a request for information on how to deal with someone that smokes pot on the caller's property against her wishes. The smoker allegedly has a medical marijuana card.

1752 – A female called and said a Native American female came to her house in the Nashua area wanting to use the phone to call someone for assistance as her car broke down. Whoever she talked to evidently isn't going to help her so she told the reporting party that she was going to walk to Glasgow. The reporting party would like an officer to check on her and make sure she is alright. The woman is wearing a black hoodie, jeans and tall boots. An officer was unable to locate the woman.

2222 – A woman reported that there is an old red four-door car that is outside her residence with its lights on. The car has been there for about six hours.

Thursday, Nov. 29, 2018

1040 – A woman is concerned about a couple of vehicles that just sit on the city street and have for years. She said the same guy owns both and has a green car and a brown pickup that she doesn't think even work. She said they were down by the alley but someone complained because the garbage truck wasn't able to

get through so the guy moved them back a bit so now they are back by her door. She said they aren't blocking her access but she thinks there are so few parking spots for all the people in the apartment building it is a shame for spots to be taken up by two vehicles that don't even appear to run. The information was given to the officers.

1524 – A female caller reported strange charges through her iTunes. She was told by Apple to purchase an Apple card for \$100 so they could clear up the charges. She did, then they told her to purchase a Google card for \$500. At this point, she started to become suspicious. She said they have her G-mail account number. She was told that someone in China hacked into her Apple ID. She said a man claiming to be with Apple keeps calling her. An officer went to the woman's residence to speak to her.

1635 – A male reported that he has been receiving multiple calls from around Montana trying to sell him stuff. They were trying to sell him vacation packages and home safety things. He also received a call from a woman claiming to be a federal employee named Rachel Bishop who works with people receiving these type of calls. He believes these calls are scams and would like a deputy to call him back.

2308 – A female called to say that a male just called her on the phone and left her a voice mail. She said he sounded drunk and she couldn't tell if he was saying that she locked him out or locked him up. At 0010 the female called in again and reported the male called her a second time.

Friday, Nov. 30, 2018

0545 – A female called in to report a semi with a John Deere logo that does not have any tail lights.

1110 – A woman, who wished to remain anonymous, reported there are three handicap parking spots at the clinic and only one of the vehicles parked in them has a sticker. She said this is in the front parking lot of the hospital. A responding officer reported there were currently no vehicles parked there.

Saturday, Dec. 1, 2018

0006 – A female called to report that she received a call regarding a couple in St. Marie having a big fight and it sounded like there was hitting going on. The caller said she heard that the female had been drinking at the Durum earlier. The parties were separated for the night and will sleep it off.

0014 – A male reported that a man is being loud. He has been there several times already and he thought they went to bed. A responding officer spoke with the loud man and another male. Everything seemed to be okay. He explained to them that if they have to return, citations will be issued.

0934 – A male reported an orange six-wheel ATV that is spinning donuts and driving erratically. A responding officer was unable to locate the vehicle.

1047 – A woman called and said that her parent's home is in probate and no one is supposed to be there unless someone is present with them. She stated that there are three vehicles there and a man, a woman and the woman's daughter are hauling things out of the garage. A responding officer advised that there was someone present with the trio who said the property has been sold and they have to remove the items.

Sunday, Dec. 2, 2018

0539 – A male reported that the house next to 237 1st Avenue South is on fire. He doesn't know if anyone was inside, but the house is fully engulfed. It was determined that the homeowner was not in the house.

0655 – A male from the Lustre area called in stating last night at about 2230 hours he returned home and found his door knob had been broken off completely. He stated someone tried to break in but did not get in as he has his house locked up. He would like an officer to come out and take a look. He thinks he knows who may have done this. He also said that he took photos with his phone.

1051 – A female called in advising she is the site manager for

Montana Aviation. She said her Hi-Line Security officer found a pickup on site when he came to work. The keys to the pickup are on the dash and there are footprints leaving the truck and the D-Dock door is open. She said the security officer does not want to enter the building alone, so they would like an officer to respond for assistance. The security officer will meet the deputy at the gate. The caller advised that the male who owns the pickup used to work for her. A responding deputy tracked the footprints to just west of the air tower and located the subject. The deputy took the male into custody and advised the security officer that he had the subject. The deputy secured the subject's vehicle and requested a rotational wrecker. The subject was transported to Glasgow.

1104 – A male called and said he just found out that a man beat up his nephew and cut him on the forehead last night. His nephew had to go to the ER and get stitches. The caller said that since his nephew won't make a complaint, he wants to do it. He was advised that if his nephew doesn't want to make a complaint, law enforcement cannot do anything about the assault.

1205 – A male called in to report there are kids sliding down the hill to Highland Drive.

1222 – A deputy reported a vehicle in the ditch. It was determined that the driver was driving to the airport to pick up his wife and hit an icy patch and he went off the road. He is fine and as far as he knows, there is no damage to the vehicle. His brother-in-law is coming to get him so they can go pick up his wife and then he thinks his brother-in-law will be able to pull him out.

1500 – A male hit a telephone pole somewhere in St. Marie. A deputy is looking for the pole right now. The deputy located the pole at Ash near Willow. The pole is still standing, but there is vehicle debris at the scene. The deputy advised that there is more than \$1,500 worth of damage to the vehicle. Northwestern Energy was notified about the pole and they will check it out.

Montana Heritage Outreach, sponsored by the Montana National Guard, spent Nov. 29 in Opheim providing rich interactive presentations for all students. In the morning, the seventh through 12th-grade students explored the War of 1812 and in the afternoon they learned about the Civil War. Each session provided an introduction to the daily life of a soldier as well as the history and the outcome of these historic conflicts. The elementary school students were also able to see and touch numerous items from the daily lives of American soldiers.

The Heritage Outreach Program is a statewide organization designed to bring history to life, in an unique way through historical reproductions and presentations.

The Veterans of Foreign Wars (VFW) promotes patriotism while investing in our youth by sponsoring a written essay contest for sixth through eighth-grade students called Patriot's Pen and an audio-essay contest for ninth through 12th grade students called Voice of Democracy. Students who choose to compete do so at a local, county, state and national level. Opheim had one local winner from each category, Carrie Taylor, for Patriot's Pen and Taylor Nelson, for Voice of Democracy. Taylor and Nelson will be awarded \$100 for their efforts and both are invited to a banquet on Thursday, Dec. 13, at the VFW Auxiliary 3107 in Glasgow, where they will share their essay to compete at the district level. District winners will then move on to the state and national levels.
