*There were 19 motor vehicle stops, two accidental/prank 911 calls, seven reports of barking/lost/loose dogs and one report of loose livestock.*

**Monday, Dec. 23**  
0109 – Interstate Alarm reported an exit error by user and exit burglar alarm. At 0114, Interstate called back stating the key holder will be there in a couple of minutes.

0625 – A female reported she had two huge cats on her porch. They were both grey tabby and very big like a Maine coon.

1034 – A deputy came across a vehicle that appeared to be broken down. Attempt was made to call the owner, and the call went to voicemail. Message was unable to be left due to mailbox being full.

1114 – A male called to report a drive-off in the amount of \$31.01. He stated he thought it was a black pickup, four-door. He provided the license plate but wasn't sure of the accuracy. No return was provided on the plate number that was given.

1348 – A female called and said a woman had lost her wallet and asked if anyone had turned it in. The caller was notified no wallet was turned in. The caller then asked if there was somewhere else someone might turn it in, and it was suggested they might just go to the first office in the courthouse. The caller requested that if anyone turns one in that the Glasgow Recreation Department be contacted.

1415 – A male called in to speak to an officer about a possible scam. He purchased a dog from a breeder in Glasgow and paid a deposit to have a shipper pick up and deliver the dog to another state. In a group chat,

the shipper was claiming vehicle problems and said she was 20 minutes from Glasgow and the breeder's location. The caller gave the driver's license information of the shipper that was supplied. Deputy made contact with the complainant and was informed that the shipper might be parked at Sullivan Park and they are on the way to see if she can make contact. At 1440, it was determined the vehicle is not at Sullivan Park anymore so deputy will attempt to call them.

1440 – A male called and said a semi had hit their canopy and requested an officer to come out and write up an incident report.

1611 – A male reported that he has no water. The water department was contacted. They are working on the main line and the water will be off for another hour or so.

1742 – A female reported a dead deer about 1/2 mile west of the US 2 and 24 North intersection. At 1745, an anonymous male called to report the same, indicating he's not sure if it's dead. A message was left for DOT.

**Tuesday, Dec. 24**  
0325 – A female called in to report that a male told her that another male was trying to contact her. She has a no contact letter against the male trying to contact her.

0420 – A deer was reported and moved to the east side of the road. MDT was notified.

1007 – A female called to report a dead carcass on the road. Information was passed along to a deputy who is en route to go check and remove it if needed.

1440 – A female called and reported a two-door white car, has crossed the center line at least six times. She said they would be turning into St. Marie and the

vehicle is about a mile behind them. At 1454 the female called back stating they were willing to sign a statement.

1714 – A caller reported that the power is out on her block. She already reported this to Northwestern Energy but they didn't have an ETA. At 2049 a deputy advised that the power is out in St. Marie. They advised that the lines are down and he's sure that Northwestern is aware of it. Dispatch notified Northwestern and they are aware and are working on it. They do not know how long the power will be out.

1930 – A female reported that the lines are sparking on the east side of Rose Hill. It lit up the sky twice and she believes the lines belong to Norval. She didn't see any fires, just sparking. Dispatch tried to reach the deputies and discovered that the radio was out of service. Dispatch notified Norval. At 2012 a deputy advised that there was just an electrical explosion south of Rose Hill. There are no fires, just sparking. Norval was updated.

2353 – A female called in to say the power was out in Frazer. Dispatch provided her the number to Norval.

**Wednesday, Dec. 25**  
0223 – A female called in to report that when she went to set the alarm, it gave her an error that the front entry door was open. She stated that she reset the alarm and she got an okay. She was letting dispatch know in case the alarm company called. She also stated that the entry light was left on by mistake but everything is okay.

1153 – A female reported they are without power again in St. Marie. Northwestern Energy was notified who advised the supervisor is aware and that they have a

transmission line down. Crews are coming out. A power dip in dispatch shut down the radio, so a deputy who was in the detention center was notified and he will head down and reset it. At 1829, a female called wanting to know when the power will be back on. Northwestern Energy was contacted who stated they have a full crew out working on this and they have a bunch of ice that they're dealing with. The estimate repair time is 2030 hours.

1343 – A male reported a vehicle spinning brodie's in the old Shopko parking lot. He said you can see where the person was in the alley when they spun out. He gave the description and the start of the plate. He advised the vehicle sounded quite loud in the phone but unknown where the parties were in relation to the reporting party. The male advised he is willing to write out a statement if an officer needs it. As dispatch was getting the male's information, dispatch could hear what sounded like the male possibly yelling at the driver to get out of there. An officer responded and wrote warnings for reckless driving and no driver's license on the person. At 1410 the male called back and said he found the vehicle at Holiday. He gave the same plate as the vehicle as before. He advised that the vehicle turned off the highway right in front of them and he spun out in the alleyway spraying rocks everywhere.

1818 – A male reported that someone is shooting by Valley Court apartments. It was determined that someone just outside of the city limits was planning on having a bon fire and setting off fireworks tonight.

## Law Enforcement

### FROM PAGE 4B

1843 – A caller reported that there’s a man laying in the snow in their parking lot. He is still breathing.

2301 – A male called in to report some individuals trespassing on his property at approximately 2100. All he has there is a small hunting type cabin that is not listed on the property so there is no address. The male stated that he has a camera on the property that records video and is alerted when the camera picked something up. A deputy was notified who stated he would look into it in the morning.

At 0907 the next day, the caller called in to follow up about his trespassing call. Dispatch advised him that a deputy was unavailable this morning with another call and would be in later. The male stated he wasn’t concerned about not getting contacted right away, and that he was just wondering what was happening with the call. He also stated he would call back if anything more happened or if his camera alerted him to someone in the area again.

2337 – Dispatch experienced a power fluctuation. An attempt was made to make a radio check and could not get a tone.

**Thursday, Dec. 26**

0002 – BP called in to notify

that there is a downed power line. He stated the line is not sparking and is about 20 feet east of the road. At 0100, it was advised that Northwestern Energy was on scene and they stated that the line belonged to Norval. Dispatch contacted Norval.

0240 – A female called in to report an alarm. At 0241 the female called back to cancel the alarm.

1110 – A male reported his girlfriend’s cell phone is missing and would like a call if it gets turned in to dispatch. He stated they have checked everywhere they went last night and no one has seen it. He reported the phone as being a Motorola smart phone in a red case.

1123 – A male called in to ask if there has been any report from an alarm company for his location. He was informed there were no reports made. The male stated the doors were locked while waiting on Northwestern Energy to fix a problem with the power at that location.

1518 – A male requested a trailer inspection.

1630 – A caller reported that there’s some low power lines between MM 30 and MM 31.

There’s a hay truck north of the dump that’s headed northbound and he doesn’t know if the hay truck will make it under the power lines. He also stated there’s a deputy sitting alongside the road

on Highway 24 North. At 1646, a deputy stated the truck is not in the area and that the power line is not that low.

1730 – A caller reported that he needs assistance backing out of the underpass. Multiple calls came in reporting the the vehicle is stuck.

**Friday, Dec. 27**

0719 – A male called in stating he needed to make an accident report. He hit a deer and there are no injuries. He is in a Silverado and believes he is still in Roosevelt County. RCSO dispatch was notified and provided the information. The male later stated he has front bumper damage and the deer is dead. He had drug it off the road into the ditch.

1417 – A male came in to file an accident report. He states that on possibly Monday his truck was struck on the driver’s side by the rear wheel well. He didn’t notice it until later in the week.

1451 – A female reported a panic alarm at a location. At 1455, another female called in to report that everything there was fine.

1529 – A male called in on 911 reporting that someone shot up his mailbox. He was asked if there were shooting now and he said no so dispatch advised him they would call back on the regular line. After reaching contact, the male stated that someone had shot one hole in it before and
