GEORGIE KULCZYK / THE COURIER

The newly constructed Irle School will welcome students and teachers on September 1st. A ribbon-cutting ceremony is planned for August 20th.

“The most influential of all educational factors is the conversation in a child’s home.”

Welcome Back To School from the Glasgow Superintendent

**BOB CONNORS,
GLASGOW SUPERINTENDENT
FOR THE COURIER**

Welcome Back! As educators, we understand the above William Temple quote. Quality education takes place, not only at the school building, but also outside the school

walls. To put this into context, a student that attends school every day, is exposed to approximately 1100 hours of instruction. That leaves 7660 hours outside the school walls.

“It takes a village to raise a child.” We have excellent teachers, staff and

administrators and the classroom is an integral piece of the educational puzzle, but so are extra-curricular activities (school based or otherwise), adult/child conversations at meals, during homework, car rides, etc., peer-to-peer conversations, and sleep. Yes, sleep is extremely

important.

My challenge to parents/guardians is to get the students to school. Allow us to best utilize the 1100 hours available to us. Together, we can make a difference in our student’s lives. The student’s best ability, this school year, will be avail-

ability. A website to visit about the affects of absenteeism can be found at www.attendanceworks.org.

Ribbon Cutting – We will have a ribbon cutting ceremony for the new Irle School, August 20th at 1:00. p.m.

See GLASGOW, Page 3

Welcome Irle School Students and Parents

**RACHEL ERICKSON,
IRLE ELEMENTARY PRINCIPAL
FOR THE COURIER**

The Staff and I would like to welcome you to an exciting year at Irle Elementary School! We have worked very hard to prepare for this school year, and we believe that our students will have a rewarding educational experience. We take great pride in our outstanding, research-based curriculum and instruction offered to our district's youngest learners. I am excited about starting the 2015-16 school year!

As demands and complexities of teaching children increase, it becomes more evident that we all need to work together to insure that our children reach their potential. We believe that all of us – the school and the community – must work together in an extended family environment to insure success for all our students. We believe it is everyone's responsibility to empower children with the creative, intellectual and decision-making skills necessary for them to become academically, socially, physically and emotionally successful and responsible. With that end in mind, our school goals are:

1. Improve reading and math

achievement scores.

2. Improve student behavior.

3. Improve all stakeholder communication.

Irle School will continue the initiative of a multi-tiered system of support (MTSS). The purpose of MTSS is to identify children who need additional help with reading, math or behavior and prevent the development of serious learning or behavioral problems; and to identify those children who, even with extra help, make very limited progress. Success, one child at a time – the effort to meet each child's needs for growth socially, emotionally and academically – is ongoing and intentional. We use formative and summative assessments to gather data on the academic growth of our students and use that data to develop appropriate classroom and individualized instruction. Regular review and revision of the curriculum help us to ensure that we are delivering the best possible learning experience for our students. Our teachers "know" their students, identifying strengths, challenges and passions while striving for a positive school experience and love of learning.

We offer a strong complement of

Specials instruction in the areas of physical education, general music, art, computer/keyboarding, library/media, PLTW and guidance that enhance the regular education experience for our students. We have professional instructors that are dedicated to these additional content areas who work closely with the regular education teachers to provide a meaningful experience that connects the work being done in the classroom by the students and to the students' lives outside of the school.

Our school is focused upon everyone being *safe, caring, respectful and responsible*. Irle School has established clear expectations for behavior (*being safe, caring, respectful and responsible*) that are taught, modeled and reinforced across all settings and by all staff. At Irle, we believe effective and safe schools have an orderly, safe and purposeful environment where teaching and learning thrives, and as a staff, all of us will be teaching, modeling and coaching the students on these topics every school day. We are looking forward to partnering with you in this venture.

Education is a shared responsibility. It is important for us to keep open

lines of communication between home and school. We must work as a team to guide your child (ren) toward success. This is accomplished by communicating with your child's teacher, attending school functions and assisting your child in understanding the importance of education and cooperation. You, as the parent, are a valuable component of your child's education. Parents are always welcome at Irle Elementary School and are encouraged to become involved. We acknowledge the importance of parental involvement in the success of the schools. The presence of volunteers in the classroom allows us to reach more students through individual interactions during learning opportunities.

It is our desire to keep you informed of all that is taking place at school. Up-to-date and additional information will be sent to you through student folders and planners. Information appears on our district web page, on Family Link and through School Reach. Every student will receive a school handbook on Sept. 1, the first day of school. It is also posted on the district website. Please read and review the school handbook. If you have questions or concerns

that arise at any time, please do not hesitate contact the school.

Lastly, new parents are strongly encouraged to stop in beginning August 24, from 8-4 and register new students. New students need to have original immunization documentation and a certified birth certificate. If your child is entering kindergarten, make sure their immunizations are up-to-date. The Valley County Health Department will assist with questions and immunizations. Parents of all students are encouraged to drop in and add money to their child's meal account or go online via MealTime.com and/or purchase milk cards.

Irle Elementary School will be hosting Community Open House Events on Aug. 24, from 5-7 p.m., Aug. 25, from 11 a.m. - 1 p.m., and Aug. 26, from 7:30-9:30 a.m.

School Family Open House is on Aug. 31, from 4-6 p.m. Please come join us, and while doing so, take some time to update your child's contact information, visit his/her classroom and explore the school. I look forward to having a long and rewarding relationship with you and your family.

Sincerely,
Rachel Erickson,
Irle Elementary Principal

'Back to School' Immunization Clinic

**CONNIE BORESON, DIRECTOR
VC HEALTH DEPARTMENT
FOR THE COURIER**

The Valley County Health Department will be holding one more "Back-to-School" Immunization Clinic, Tuesday, Aug. 18, from 2-6 p.m. This is for all students entering kindergarten, 7th grade or college. Please bring your insurance card, and if you are under 18 years of age, we need parental consent. Call 228-6261 for more information.

LET THE REVOLUTION BEGIN

Hello Scottie Nation

**BRENNER FLATEN, VP/AD
FOR THE COURIER**

Welcome to another year at Glasgow High School. The staff at GHS is busy gearing up for yet another action-packed year that is sure to be a memorable one.

The 2015-16 school year will be bringing in a few changes with it. For the first time in a decade, the high school will return to a true 9-12th-grade setting. This year's 7th and 8th grade will be teaming up with the 6th grade to bring us a true "Middle School." This will have a greater impact on academics, but will also usher in a few changes for our activities as well. Junior high volleyball and basketball will continue with practices at the Middle School this coming year.

While junior high football and wrestling practices will also be making the move from the high school to the Middle School this year. All 7th- and 8th-grade students will continue to be eligible to participate in athletics. 6th-grade students will still to be eligible to compete in wrestling and will now also have an opportunity in the spring to compete with the junior high track and field team.

These are some important dates for all parents and student-athletes to be aware of:

Thursday, Aug. 13, 7 p.m. at the GHS Auditorium – Mandatory Parent Meeting. (For parents/guardians of students in grades 6-12 planning to participate in extra-curricular activities during the 2015-16 school year).

Friday, Aug. 14 – First day of Fall practices for high school sports (football, volleyball, cross

country). practice schedules to be announced.

Monday, Aug. 24 – First day of Fall practices for junior high sports (football, volleyball, cross country). Practice schedules to be announced.

Need before the first day of practice:

- **Current Athletic Physical** completed by a licensed physician and turned into the GHS office and/or coaching staff.

- **Concussion Baseline Testing** Completed with Mr. Chuck Barstad. (Test is good for TWO (2)

years upon completion. If you took it during the 2014-15 school year, you are still current)

- **Consent to Participate form completed**

- **Training Rules form completed**

- **Glasgow High School and FMDH Drug Testing forms completed** (these are NOT required for 6th-8th-grade student athletes)

Need by the end of the first week of practice:

- **Activity Ticket purchased** (\$30 for the school year)

- **Sport Participation Fee** paid (\$40 per sport for high school, \$15 per sport for junior high).

I look forward to the ton of excitement this fall will undoubtedly bring all of us. Let's all enjoy what is rest of the summer and start gearing up for a great school year. Another date to keep in mind is this year's Glasgow Scottie Homecoming Spirit Week scheduled to take place Monday, Sept 28 – Saturday, Oct. 3rd.

Until next time ... Go Scotties!

BRENNER FLATEN

GLASGOW PUBLIC SCHOOLS 2015-16 CALENDAR

First day of school – Tuesday, Sept. 1, 2015

Last day of school – Wednesday, June 3, 2016

Graduation: Sunday, May 29, 2016

Please come have some cake and look around your new school.

Building Projects – As our building projects come to a close, I would like to take this opportunity to thank everybody for their support and input. This has been a two and a half year process that has taken patience and understanding at all levels.

What is left? Paving the parent parking/student drop off area, paving of the bus lanes at Irlle, landscaping

the front entrance area of the Middle School, and a few behind the scenes items. We are on budget and will continue to be at or under budget.

What is next? At some point in the future, we will need to discuss our high school parking lot and our outdoor athletic facilities. We will continue to make the necessary up-keep maintenance to allow us to utilize these facilities into the future. At some point, the track will need a major overhaul, so we can keep hosting state qualifying, district, and divisional meets. I would also like to address our softball field issues

GEORGIE KULCZYK / THE COURIER

A Great Year Predicted at GHS

**SHAWNDA ZAHARA-HARRIS,
GLASGOW HIGH SCHOOL PRINCIPAL
FOR THE COURIER**

Welcome back to the 2015-2016 school year. It seems like just yesterday we were finishing graduation and here we are finishing up our summer fun and gearing up for the studies ahead. This year GHS will see a transition back to only a 9-12 high school setting and we are looking forward to the possibilities for our students that this brings.

Our staff remains stable with GHS only losing one staff member over the summer and we are very excited to be adding full-time choir director Maureen Leech to our team.

Students will experience a more updated library area as our librarian has been hard at work transitioning to the makerspace/Internet café concept for our students. We have departmentalized our building to create a better flow for students and provide opportunities for enrichment and support in those areas. Many of our teachers have attended in-depth training over the summer to create more opportunities for our students within our new and old course offer-

ings. We look forward to the continued growth of GHS students.

We will be continuing with the 92-minute block schedule that was implemented last year and the A/B Day calendar. We will also be adding a homeroom academy (think of it as a homeroom) for all of our students to better assist with the many transitions that occur at the high school level. Our goal this year is to create an environment that allows every student to thrive and the adult support to help get them there. It is also our goal to give back to our community as much as possible through these homeroom academies, so if you have a need for help or an idea connected to our community, please contact GHS administration. GHS staff and students appreciate the enormous support that we receive from our community and this year we are dedicated to having the entire student body giving back in some fashion to show our gratitude.

Our GHS Office will be open for business on Aug. 18, for new registration. Please bring proof of immunization and birth certificate copies with you to complete this

process. Also be aware of the NEW and UPDATED immunization requirements for K-12 students, both new and returning. If you have schedule changes to make, our guidance counselor will be available starting Aug. 21. Feel free to come up or call to make an appointment. Thank you for your assistance with this process so that we can be sure that all students can start on the first day of school.

There will be an Open House at GHS on Aug. 31, and we encourage new and returning students to come say hello, get your locker assignments and see the new configuration at GHS. Student schedules will also be available if you did not get yours in the mail in June.

This is going to be a great year at GHS and we cannot wait for the learning to begin. As always, if you have questions or concerns, please come talk with GHS Administration. Communication is one of our top priorities. Enjoy what is left of the summer and we will see everyone on Sept. 1, at 8 am.

Sincerely,
Shawnda Zahara-Harris,
Glasgow High School Principal

Glasgow Middle School News

MIKE ZOANNI, GMS PRINCIPAL FOR THE COURIER

Glasgow Middle School will serve students in grades 6-8 beginning this year. This is a transitional year in which we will work to introduce a middle school approach. Our staff is excited to begin the transition and we feel our students will be the beneficiaries.

I commend our janitors, Mike Molzhon and Nick Ciafardone, for all their hard work preparing our building and moving staff. Teachers have been hard at it as well, unpacking and arranging their rooms to be prepared for students. Thanks to all!

Our staff would like to welcome Kelsey Hadley to the team. Kelsey will be serving students in grades 6-7 in the area of language arts.

Kelsey joins a blended staff from last year's East Side Elementary and Junior High. Please see below the complete list of staff at the Middle School.

The office at the Middle School will be open beginning on Aug. 14, at 8 a.m. Feel free to stop in to take care of lunch money, activity tickets, update immunization records, or to ask questions. Please refer to the district website, www.glasgow.k12.mt.us, to gain more information on the new state-wide immunization requirements and deadlines.

Parents and students can expect welcome back letters and schedules in the mail the week of Aug. 17. The office encourages inquiry phone calls if you have not received a letter by Aug. 20. Glasgow Middle School will be opening the doors to

visitors on the following dates: Aug. 24, from 9:30-10:30 a.m., Aug. 25, from 11:30-1 p.m., and Aug. 26, from 4:30-5:30 p.m. This is a time for students, parents and public to come take a tour of the building.

We will have our official Open House Aug. 31, from 4-6 p.m. The first day of school for students is Sept. 1. Our doors are open to students for breakfast at 7:45 a.m. School begins at 8:10 a.m. this year and ends at 3:29 p.m.

I am looking forward to the transition to middle school and working to positively impact students and parents. Please enjoy the remainder of summer and we will see everyone Sept. 1. If you have any questions call the office at 228-8268.

Respectfully,
Mike Zoanni GMS principal

Welcome Back! First day of school at Lustre is Aug. 26

MR. YOUNG, LUSTRE PRINCIPAL FOR THE COURIER

Lustre Elementary School and Lustre Christian High School will be welcoming staff and students back for the 2015-16 school year. Staff PIR days are Aug. 24 and 25. The first day for students is Wednesday, Aug. 26.

The Elementary School will have one new teacher. Kelley Young will be teaching fourth, fifth and sixth grades. All the teachers at Lustre Christian High School will

be returning. New dorm parents at LCHS are Naomi and Lucas Lorenz, who previously served in the mission field in the Philippines. We are happy to welcome these people to our school and community.

School letters have gone out to all families with students in our schools, including the school calendar and new immunization requirements. MHSA has scheduled the first day of high school volleyball practice for Friday, Aug. 14. Please remember to have your

physicals and medical information sheets completed and turned in to your coach before the first practice begins.

If you have not received the school information, please notify the Lustre Elementary School at 392-5725 or Lustre Christian High School at 392-5735. Please find forms for enrollment and the school supply list for LCHS on our website at www.lustrechristian.org.

See you soon!
 Mr. Young, Principal

Welcome Back to School at Nashua

JENNIFER M. CUNNINGHAM
SUPERINTENDENT, NASHUA SCHOOL
FOR THE COURIER

Dear Parents and Students:

I am excited to welcome you back to school for the 2015-2016 school year at Nashua Schools! The staff and I have been busy preparing for an exciting year of learning and growth. At this time, I would like to take this opportunity to review several important school procedures with you. Your adherence to these important procedures will greatly assist us in maintaining a safe, secure and productive environment for your children.

the parent or guardian. The school is required by law to verify any and all absences. Tardiness is defined as any unexcused appearance of a student after the scheduled time that the class begins. When a student's total number of tardies in a class reaches five, one full day's unexcused absence will be charged to the student for that class. Attendance and arriving on time are crucial components to your child's success.

Student Arrival/Departure:

Students are not to be in the building before 7:20 a.m. or after 4 p.m. unless under the direct supervision of a parent or school official. Therefore, we ask you to plan accordingly. All doors will be locked except the main entrance during arrival time. First bell will ring at 7:55 a.m. with instruction beginning promptly at 8 a.m.

Visiting Our School:

For the safety of those within the

school, all visitors must first report to the school office. Visits to individual classrooms during instructional time are permitted only with approval of the superintendent and teacher and so long as their duration or frequency does not interfere with the delivery of instruction or disrupt the normal school environment.

School Meals:

Accounts are to be kept current. Please make a deposit on your child's account prior to the beginning of school. Weekly statements will be sent out informing you of your child's account status in order to assist you in maintaining a positive balance on your child's account.

Please feel free to call the office with any questions. I look forward to working with you.

Sincerely,

Jennifer M. Cunningham
 Superintendent, Nashua School

Back to School in Hinsdale: August 17

HINSDALE SCHOOL FOR THE COURIER

It's back to school for students and staff at Hinsdale Public Schools on Monday, Aug. 17. Hinsdale will continue with the four-day week. School for grades K-12 will begin at 8 a.m. and dismiss at 3:30 p.m. Kindergarten classes will run Monday through Thursday.

Hinsdale will be supporting a breakfast program again this year. Breakfast will be served from 7:45-8 a.m. every school morning.

Hinsdale welcomes Chuck Bille to the science department. Mr. Bille comes to us from Alaska. He has master of science in education with certifications in general science, chemistry, biology and math. He has double majors in biology and chemistry and minor in math.

Becca Lange will be the new third/fourth grade teacher. She has a bachelor of science in special education and elementary certification from Eastern Michigan University. She taught one year as a special education teacher. She has taught English lessons to students in rural South Korea and has spent many summers working at a week-long camp for children with special needs.

Also joining us is Ms. Ali Emig as our new first grade teacher. Ms. Emig worked in Hinsdale as a substitute in our Title program last

fall. She will be taking over library/media role for our school. She graduated from West Chester University in Pennsylvania.

Coming to us from not so far away is Mr. Joseph Quinones. Mr. Quinones recently graduated from MSU-Bozeman with a bachelor of arts in music education. Mr. Quinones knows how to repair band instruments and has considerable experience planning, organizing and facilitating music events. He has earned numerous awards and received recognition for performing with the MSU Symphony Orchestra, band and choir. And he has spent time with the Helena State Capitol Band and Bozeman Municipal Band.

From even closer, we welcome Mrs. Cyndi Baillargeon. Mrs. Baillargeon, a Glasgow native, joins us as our new fifth/sixth grade teacher. She has worked as a third-grade teacher and spent many years as a paraprofessional working at Irl School. She graduated from Western Governors University with a bachelor of arts in elementary education.

Another new addition is lead custodian, Jason Miller. Mr. Miller acquired lead custodian duties in July and has been very busy ever since. He is married to Paige (Johnson) Miller, who grew up in Hinsdale, and they have one son, Gabe. Mr. Miller

brings with him extensive cleaning experience and facilities supervision from Service Master in Great Falls.

Returning this year are Sheryl Burnham, who will be working in guidance, counseling and assessment, Jamie Remmich will be kindergarten teacher. Amber Strommen will return as the second-grade teacher, and Jay Billingsley will be teaching 7-12th grade math. Britany Lacock as the social studies and art teacher, and Joanne Gores will continue as the 7-12 English/annual teacher. Heidi McColly will continue to pursue special education endorsement and teach in the resource room. Lisa Beus returns as the K-12 PE/health teacher as well as athletic director, and Patti Armbrister returns as our VoAg instructor. Dorothy Jensen and Carol Christensen will both be supporting the title and special education areas as aides, and Dot will be returning as our speech provider through Bear Paw Cooperative.

Support staff returning this year include Julie Gaffney, superintendent; Gwyn Funk, administrative assistant; Ernie Marinko, business manager; Dale Leatherberry, assistant custodian; Joyce Leatherberry, head cook; Margo Salvesson, assistant cook; and Kyle Palmer, head bus and vehicle maintenance provider. Ralph Ellsworth, JoAnn Zeiger and Dawn Burnham will be driving on routes.

Ready for school and Eugene's – are student employees, from left, Elizabeth Holom, Josey Uphaus, Alexa Shipp, Mary Fewer, Sarah Law, Shyla Bergtoll and Max Knodel.

Get the whole family together after school for dinner at Eugene's

Irle School Supply List for 2015-2016

KINDERGARTEN

- 1 box of 24 crayons
- Scissors (Fiskars brand)
- \$6.00 for a milk card - Optional
- 5 - Jumbo glue sticks or 10 - small glue sticks
- 1 Bottle of Elmer's glue

• 2 containers of disinfecting wipes (please no Scotch Brik brand)

- 1 box of kleenex
- A pair of tennis shoes to leave at school for gym

*Please write your child's name in the shoes.
* Please send slip-ons/ velcros only for gym. Absolutely NO tie shoes!

• A full-size Adult backpack to carry papers home in

*Small ones will not work

- Zip-Loc bags (Boys bring quart - Girls bring gallon)

• 2 - 10 Count Classic Colors Washable Crayola Markers (not thin)

• 10 Pencils - regular size (sharpened)

• 1 Set of Watercolor Paints (Prang or Crayola brands work best)

• Extra pair of socks for gym, wet feet, etc.

*Please make sure you have extra glue sticks & crayons at home.

*Please be sure to write your child's name on everything. This includes coats, boots, and gym shoes.

FIRST GRADE

• 2 Boxes of 24 Crayons (Crayola Brand only)

• 10 Pencils (#2)

• 1 Pair Fiskars scissors

• 4 Solid Glue sticks

• 1 Large Eraser or cap erasers

• 1 Box to hold supplies

• 1 Box of tissues

• 1 Backpack or Book Bag

• 1 Container Lysol or Clorox Disinfectant Cleaning Wipes (to clean desks) - No Wet Wipes or Wet Ones please.

Extra shoes are not required, but students do need to wear tennis shoes on gym days. It is especially nice to have an extra pair of shoes to

leave at school during the winter. Please make sure that your child can tie their own shoes or send shoes without laces.

* Send only requested supplies.

* PLEASE KEEP EXTRA pencils, glue sticks, erasers and crayons ready at home to send as needed.

BIG time saver for us.

Please put your child's initials on each crayon & pencil. When one is on the floor, it's owner is found quickly.

SECOND GRADE

• 48 pencils (yellow, made in the USA pencils are best)

• 2 large pink erasers and 1 package of cap end erasers

• Crayola crayons (24 count box)

• 3 large or 6 small glue sticks

• 1 box of Crayola markers

The above items will be kept in individual storage bags in the room to be used as needed. Some supplies may need to be replaced or replenished throughout the year. Please keep extras on hand at home.

• Sharp scissors (Fiskars brand are preferred)

• Pencil box to keep supplies in desk

• Colored pencils

• 1 highlighter

• 8 Expo2 (low odor) dry erase markers

Please put student's name on all the above supplies and any clothing items they will be removing at school.

Items that the class will be sharing are listed below:

• Boys - 1 box quart or sandwich-size Ziploc bags

• Girls - 1 box gallon-size Ziploc bags

• Disinfectant wipes

Please send in only the requested supplies.

Separate gym shoes are not required, but students do need clean shoes for gym class. It is nice to have a pair of shoes at school for those days students forget them

in the winter, or when their shoes get dirty on the playground.

THIRD GRADE

Please have your child bring the following supplies:

• 2 pkg. dry-erase markers

• 48 pencils (yellow)

• 2 erasers and cap erasers

• Fiskars scissors

• 4 glue sticks

• small pencil box or bag to keep in desk

• backpack or book bag

• Crayola markers (fine & thick)

• colored pencils

• 1 box of tissues

• 1 large container Disinfectant Wipes

• 1 spiral notebook

• Boys - 1 box gallon-size Ziploc bags

• Girls - 1 box quart-size Ziploc bags

• Gym shoes - are not required but students do need to wear clean tennis shoes on gym days. It is nice to have a pair of shoes here, especially in the winter when students occasionally forget to bring shoes and end up wearing their boots all day.

Please send in only the supplies on this list. Binders take up too much room in their desks. Your child's teacher may send home a list of additional items she requests in her classroom.

Keep extra supplies at home and ask your child, on occasion, if they are running low on supplies.

FOURTH GRADE

1. 3 Highlighters

2. #2 Pencils, regular and/or mechanical (with extra lead) (re-stock throughout the year)

3. Three Ring Binder, 2" minimum

4. 1 pkg. of dividers that we will label

5. Flexible pencil bag, with 3-ring binder holes

6. Hole Reinforcement Labels

7. Erasers

8. 1 pkg. Three Hole Loose Leaf Notebook Paper

9. 1 Spiral Notebook

10. 2 Two-Pocket

Folders, with 3-ring binder holes

11. Glue (12 Glue sticks and 1 bottle Elmer's Glue-all)

12. Good Scissors (many 4th graders have large hands)

13. 12 inch ruler with metric side

14. 4 Expo Markers, low odor

15. Markers

16. Colored Pencils - for map work

17. Kleenex - one large box

18. Disinfecting Wipes - one large container

19. 2 Composition Notebooks (*Mrs. Gamas would like 3)

20. Crayons - Optional

21. Additional bag for gym clothes and towel

FIFTH GRADE

• 2 packs - Three Hole Loose Leaf Paper, Wide Ruled

• 2 Two-Pocket Folders, with 3-ring Binder Holes

• 3 Spiral Notebooks

• Three Ring Binder, 2" minimum (needs to have zipper)

• 2 packs - Pencils, regular and/or mechanical with extra lead (re-stock throughout the year)

• Big pink Erasers (not eraser toppers)

• Glue (4 Glue sticks and 1 bottle Elmer's Glue-all)

• 1 pack - red correcting pens

• Scissors (adult size works best)

• 3 different colored highlighters

• 3 large dry erase markers

• Flexible pencil pouch with 3 ring binder holes

• Subject dividers with tabs for three ring binder

• Large 3 pack - Clorox disinfecting wipes

• 1 box of Kleenex

• 1 pack - colored pencils

• 1 pack - markers

• 1 pack - crayons

• Pencil/supply box for organizing/storing supplies

• Additional bag for gym clothes

• Calculator

Classes start at Opheim School on Wednesday, Aug. 19

JANET BAILEY
COURIER CORRESPONDENT

Opheim School is scheduled to begin classes on Wednesday, August 19th, 2015, for grades 1-12. Teachers will be returning on August 17th for two PIR days before student instruction begins. Any new students and kindergarten students who have not contacted the school are asked to do so before Wednesday, August 12th. A calendar will be sent home the first day of school with the students. Opheim School will NOT be offering pre-school for the 2015-2016 school year. The school day is from 8:05 am-3:36 pm. Students in grades 7-12 will have an 8 period daily class schedule. Transition time between classes will be 3 minutes.

The Valley County Health Dept. is holding a Back to School Clinic on August 18th, from 2-5:45 p.m. at the Health Dept., 501 Court Square #11, Glasgow, MT. The 2015 Montana Legislature revised school immunization requirements for school attendance through the passage of House Bill (HB) 158. This law requires all students attending school to be vaccinated against varicella disease (chickenpox) and to receive a booster of pertussis vaccine before entering 7th grade. Please contact the Valley County Health Dept. at 228-6261 for more information on the immunization requirements and on the Back to School Clinic.

Parents: Please contact the school office when your child is absent or going to be absent from school. It is a state law that the school office checks with parents if a student is not in school. A quick phone call or email from you is very helpful. Unless your children ride the school bus, students are not to arrive at the school before 7:45 a.m.

Opheim School is requesting a call from parents to the bus route driver when their child(ren) will not be riding the bus on a particular day. This will eliminate wasted time and fuel. The courtesy of a phone call in advance to your route driver is appreciated. Their cell phone numbers are as follows: Unit 3 - Kristy Morgan 762-7534 Unit 4 - Vacant until filled.

The bus unloading zone will be in front of the high school doors. Please do not park in that area from 7:45 am to 4 pm. The students will be loading the bus after school on the south end of the school block. All drivers are reminded to drive slowly on the streets around the

school. No locker stackers are to be transported with the students on the school bus for safety reasons. Grades 7-12 student locker assignments have been set. Students may drop off their locker stackers at the school anytime.

Substitute teachers, substitute bus drivers and substitute cooks are needed. If you are interested in helping in one of the above areas in the absence of Opheim School employees, please contact Opheim School at 762-3213.

Breakfast and hot lunch meals are available at Opheim School. Breakfast will begin as soon as buses arrive at the school and serving will end at 8:05a.m. Students who choose to eat breakfast are asked to go directly to the multi-purpose room after arriving at the school. Elementary students should stop by their classroom to hang up their coats/backpacks, and then go eat breakfast. Milk is included with the meals. Breakfast tickets will NOT be sold by the month unless the student(s) will be eating breakfast every day.

Note: New Ticket Prices as follows:

Breakfast Ticket Prices: K-12 Student \$1.50 per meal - \$30 monthly. Adult \$1.75 per meal - \$35 monthly.

Lunch Ticket Prices: K-6 \$1.75 per meal - \$35 monthly ticket. 7-12 \$2.00 per meal - \$40 monthly ticket. Adult \$2.50 per meal - \$50 monthly ticket

It is important to include a note with any payment sent to the school as to how many of each type of meal ticket is being paid for.

School pictures will be taken on Thursday, September 24th, 2015. Life Touch Pictures will be at the school to take individual and class pictures.

Opheim School has the following position(s) open for the 2015-2016 school year. Route Bus Driver and Substitute Bus Drivers. If you are interested in these positions please contact the school office at 762-3213. An employment application can be accessed on line or picked up in the school office.

To help the school staff get in touch with parents in case of unexpected circumstances, we would encourage you to send us your cell phone number. Remember to update us with phone number changes as they happen. In addition to telephone communication, we have compiled

e-mail addresses for parents of our students. There are many times e-mail is a more efficient way of getting information out. A weekly bulletin is sent via e-mail to parents and community members. A copy will also be sent home with elementary students. If you would like to receive the Opheim School weekly bulletin e-mail, and we don't already have your address, please provide your name and e-mail to the school office ohssecretary@ohsvikings.org or call 762-3213. You are also encouraged to go to the school website for all school happenings. <http://sites.google.com/site/opheimschool/>.

DVDs of the school play "Bad Auditions by Bad Actors" are available in the school office. If you ordered one please come and pick it up. There are a few extra copies available for \$10 each.

Activity tickets are required to be purchased by all students in grades 3-12 involved in any extra-curricular activities including field trips, plays, clubs/organizations, sports, and any other extra-curricular activities. Activity tickets will be honored at all Jr. high and varsity volleyball and basketball games and the high school play. Tickets MUST be purchased before the first day of practice for athletes!

Activity ticket prices are: K-6 - \$20, 7-12 - \$25, Adult - \$35, Senior citizens (65+) are free upon requesting a senior citizen pass from the school office. Senior citizens do not have to get a new pass each year. Please remember to write two separate checks for meal and activity tickets. Both checks can be made payable to "Opheim School".

The first volleyball practice will be Friday, August 14th, at 9 a.m. All high school students interested in playing volleyball should plan on attending this practice. **Note:** Athletic physicals must be completed and on file with the school prior to the student athlete beginning practice.

Opheim will again co-op with Scobey for football. High School - The first practice will be held on Friday, August 14th, at 8:00 a.m. in Scobey. Jr. High Practice set for Friday, August 14th, after the team meeting at 5 p.m. in Scobey. Volunteer drivers are needed to transport studentathletes to and from practice in Scobey. If anyone is available and willing to provide this service, please contact the school office at 762-3213.

All co-op sports participants will

Opheim

FROM PAGE 10

need to purchase an activity pass from the Scobey School for \$40.00 per student up to 3, then \$30 for each additional child. Adult pass is \$75.00. Activity passes go on sale August 11th at the Scobey School. This will be in addition to the activity fee purchased from Opheim School.

Welcome from the Opheim Superintendent

TONY WARREN, OPHEIM SUPERINTENDENT FOR THE COURIER

On behalf of the staff at Opheim School, I am happy to welcome you to the 2015-16 school year! We are looking forward to a productive partnership with you to ensure that our children achieve their highest potential.

We recognize that in order to be successful in school, our children need support from both the home and school. We know a strong partnership with you will make a great difference in your child's education.

As partners, we share the responsibility for our children's success and want you to know that we will do our

best to carry out our responsibilities. We ask that you guide and support your child's learning by ensuring that he/she:

- Attends school daily and arrives on time, ready for the day's learning experience.

- Completes all homework assignments given by teachers.

- Reads daily to develop a love for reading and to improve literacy skills.

- Shares school experiences with you so that you are aware of his/her school life.

- Informs you if she/he needs additional support in any area or subject.

- Knows that you expect him/her

to succeed in school.

I would like to recognize the hard work of our staff members during the summer months. John McLeod, Susie Kirby and Kent Nelson worked diligently to get our school in great shape to open the school year. Also, a thank you goes out to Terry Risa for her efforts in keeping the library open during the summer and to Connie Miller for her continued efforts as district clerk.

We are fortunate to add three talented new staff members this fall. Mr. Chase Redfield is our Industrial Arts/Agriculture Education teacher. He will also head up the FFA and likely take on some coaching duties. Chase is an OHS and UM Western graduate.

Mr. Daniel Monroe is our PE/Health teacher and will take on the guidance duties as well as some coaching positions. Daniel is a U.S. Army veteran and recent graduate of Louisiana State University. Ms. Donette Johnson is our new school secretary. Donette is a graduate of OHS and Dawson Community College. Please help me in welcoming these individuals to the Opheim School and community.

Finally, I want you to know that one of my most important goals this year is to continue keeping the lines of communication open with you. Please do not hesitate to contact me at 762-3213 or twarren@ohsvikings.org if you have any questions or concerns.

Kind regards, Tony Warren

2015-2016 Opheim School Student Supplies List

KINDERGARTEN.

FIRST & SECOND GRADE

- Markers (no thin line)
- 2 box crayons (16 colors or more)
- 12 #2 pencils
