The caller then got his gun and fired a shot in the air, causing him to be charged with aggravated assault. When the caller had returned home he found that the man who threatened him had stolen items from his home. Three hours later another caller called in to report a similar crime, his house being burglarized by the same perpetrator. He gave details stating that the perpetrator was with his girlfriend and provided a description of the vehicle. He wanted the sheriff's department to watch in case they came towards or through Valley County.

1839 – Caller reported a pickup that has been parked all day in one location, stating that no one has been seen anywhere near or inside the vehicle. A description of the pickup was provided.

1919 – Caller from Roosevelt County 911 reported that a father kicked out his son, eight years of age, and was requesting a welfare check on the boy. They were told that the boy was kicked out of the house so that the father could do drugs. When asked, Roosevelt County 911 confirmed that reporting party was the boy's stepmother. Upon arriving at the scene the deputy found the boy outside muddy and playing. He reported back stating that it looked like the father had let the boy out to play but was going to talk to the father.

2045 – Caller reported an abandoned vehicle. The caller stated the thought the girl who was with the vehicle gassing it up was the owner but she left the vehicle. A description of the vehicle was provided.

2102 – An anonymous caller reported that theres some intoxicated people stealing things off of the graves in the Frazer Cemetery. The suspects are known to law enforcement and a check for warrants in their names was made with the Tribal Jail.

2114 – The suspects from the above case were arguing in the street, causing a disturbance. They were in custody 10 minuets later.

2151 – Reporting party called in about a domestic abuse situation. The woman who was abused stayed in the area after the abuse and locked herself in her room after her father came to take her home with him. The woman's father told the reporting party that the boyfriend is extremely violent and owns "lots of guns" and has shot at him before. The reporting party is worried that the boyfriend will show up with guns and is worried about the safety of the woman and other guests. Over the following hour a deputy attempted to get inside of the room so that he could possibly get more information on the boyfriend. Around 2304 the deputy advised that the woman did not give enough information to make an arrest, but he was shown a video of the boyfriend pointing a rifle at a group of people in Hays, as well as firing off a few rounds. The deputy advised checking with deputies in McCone, Roosevelt, and Garfield County to see if they had him. The woman claimed that her boyfriend called her, stating he was with a deputy and that the situation developed and "it didn't sound good." The mother's husband also showed the officer threatening text messages he received from the caller.

0931 – Caller reported that as he drove passed a Frazer residence, he saw aggressive and unsafe behavior perpetrated, including a woman showing "crazy things" to a six year old, things which the caller stated should not be shown to someone that young. When law enforcement arrived on the scene the woman claimed that it was a Native American practice before leaving with her daughter.
